2012 NCAEOP Annual Conference

The North Carolina Association of Educational Office Professionals held their 61st Annual Conference in Greensboro March 14-16.

Ashe County had twelve EOPs to attend the state conference. Many great workshops and general business sessions were held. Congratulations to Sharon Lucas, Alisa Taylor and Geneva Spencer who were all recognized for receiving their PSP or renewal certificates! Cindy Lewis and Dianne Ballou who served as co-chairs for the District newsletter, were recognized for receiving 3rd place in the state for district publications. Thanks to Cindy and Dianne for all your hard work; you make us proud. The Ashe EOPs give a special thank you to Phyllis Yates and Katrina Miller for their continued support and attendance at the conference.

During the Administrators Banquet, Sharon Lucas was installed as our District 3 President for 2012/2013. Also in attendance for the banquet were Ashe County Middle School administrators Earl Pennington and Elaine Cox. Thanks to Mr. Pennington and Mrs. Cox for their support. Ashe County EOPs look forward to planning the District meeting which will be held in Ashe County again this fall.
